

List at least three references who are familiar with your qualifications, including at least one from an educational institution you have attended and one from a supervisor at present or last position held:

<u>Name</u>	<u>Position</u>	<u>Place of Employment</u>	<u>Telephone #</u>

VOLUNTEER AND WORK EXPERIENCES:

List below previous positions held, including graduate fellowships, assistantships, part-time employment, military service and student work positions.

<u>Employer</u>	<u>Position Held</u>	<u>Dates</u>	<u>Duties</u>

Please submit the following items with this application form:

1. Attach a two to three page essay in which you discuss how your prior work, volunteer, and educational experiences have prepared you to provide graduate level assistance to the School of Social Work as a research or teaching assistant:

Be sure to address relevant administrative support, library, teaching and research skills, as well as areas of teaching or research interest.

Include a description of your experience and level of proficiency in using specific computer search engines, word processing systems, and computer software programs.

Research sometimes offers opportunities to work with diverse cultures and populations. Please describe your experience and interest in working with diverse cultures and populations, including areas of language proficiency.

2. Briefly explain how you would benefit from a graduate assistantship.

Please send all requested information along with your application materials.
Deadline: April 15, 2009.
